

CAMP JAYCEE 2012

HOME HOSPITALITY NEEDED

Camp Jaycee is bringing three volunteers from Israel known as *Shlichim* (emissaries). These young and talented individuals will be here for the summer as part of our camp community, working with our campers and staff to bringing Israel a little closer to us.

Our *Shlichim* will work hard all day long to bring Israel and Judaism to our camp,
but who will make them feel at home in our Community?

You can help!

We are seeking warm, welcoming families to house our Shlichim and to be their home away from home this summer. Please consider opening your house to an Israeli guest for a short time (two weeks).

This will be a great experience for you and your family— hearing stories about life in Israel, teaching your children new songs and games, preparing new delicious Israeli dishes, and developing life-long friends.

Hosting includes: providing a separate room in your house, food and transportation to and from camp each day.

**If you can house a *Shlich* this summer,
please sign your family up to host during a two-week period below.**
