From The Directors

Camp Jaycee Director: Sandy Siperstein Rafner
Camp Jaycee Assistant Director: Debbie Apfel

This has been an amazing week for Camp Jaycee. Bidur and Habima showcased their wonderful performance on July 2nd in the theatre, Tsofim Caravan went to the Grand Canyon, Camp Maccabiah went on their L.A. trip, and the Geshher camps had their first late night. We have been excited about our Shabbat Celebrations on Fridays. We invite all the parents to join in the fun at 2:30 pm in the theater. If you need to pick your camper up early on Fridays please make sure to pick them up by 2:30 pm as no one is in the camp office during Shabbat. Following Shabbat we ask that you follow your camper out to the grass area to sign them out as the counselors want to make sure all the campers are accounted for at all times. We hope everyone has a great Fourth of July. Have a wonderful weekend and we will see you on Monday!

Art Camp

Specialist: Avril Butbol

Staff: Sam and Rachel

We started the week working on oil pastels and watercolors. We also created our own paper which we will use to make an oceanic collage. Our ceramic vases will be glazed and finished this week. We are excited to bring them home at the end of camp. We loved pizza day on Thursday and swimming in the afternoons. Avril has been a wonderful teacher and we learned a lot these past two weeks.

Surf Camp

Staff: Alexa Katz and Todd Cooper

Here in surf camp the changing conditions of the ocean and beach helped us determine the campers' experiences. After a week of learning the basics in small surf, campers returned the

second week with a new large swell coming out of the southwest. Happily, our campers were prepared to safely enjoy the conditions and experienced new levels of surfing success.

Art Specialist

Specialists: Stacie Greene and Shawna Dolinka

We had a wonderful week in art. The campers had a great time making landscapes and still lifes. Don't forget to check out their work in the galleria and in the art room. Please bring recyclables to the art room!

Sports Specialist

Specialist: Kevin Carlin and Sophie Dosick

Hello everyone! We all had a great time playing soccer and practicing for the World Cup! Next week's sport is football so bring your L.T. speed and Merriman heart and let's have some fun!

Nature Specialist

Nature Specialist: Jason Collins

We had another fun week in camp. We learned about tying knots that are helpful while camping. The campers also learned about parrots and made their very own balancing parrot. They also made leaf rubbings to better understand local trees. We have even more fun planned for the weeks to follow.

Jr. Lifeguard Camp

Specialist: Christian Henry

Campers in Junior Lifeguards have been learning all about survival skills needed in emergency situations. This week we have learned shallow water assists and shallow water removal. We are so happy that our campers have been able to learn important skills. Although this is our last week, we hope to see campers return, as well as gain new campers. Future sessions will have campers learning first aid and CPR skills as well as endurance deep water skills. We wish all campers a very happy Fourth of July!
