

SCREENWRITERS' CV

MICHAEL GUTMANN

Michael Gutman has been a fixture of the German film scene for over 30 years, producing scripts for "Nach fünf im Urwald" (It's a Jungle Out There), "23" and "Crazy".

Gutmann is a writer who can capture nuances like no other and has much experience with setting the scene in historical drama. His precise characterisations, and passion for outsiders are a gift for Franz and Dora.
